RE: Ronald De Shields vs City of New York
Case # 18CV8885 (RA) NYSDA # 07344349L

While incarcerated Ronald De Shields openly talked about his father being a former Soc Corrections Officer and his wife being a staff with Corrections. The CO's did not need to disclose any information, he did this on his own. Ronald talks a lot, he likes to brag and feels others are beneath him. Ronald brags about being a star athlete while in high school and that he was "tops" in wrestling he killed an opponent but everyone blamed the referee for not paying attention.

Ronald brags about his fights in prison. He reportedly stabbed another inmate after being attacked by three, he was unsure if the one stabbed died - "as he got it good" then Ronald was transferred to another facility, the next day.

Ronald talks about organizing the female officers, and that he would "bump" into them on purpose to feel their butt and breast. He reports that he groped one officer and she complained - "but he knew she liked it".

Ronald Deslields Case #18CV8885-RA

Ronald states he always wanted to become a lawyer, so while in prison he spent a lot of time in the law library - researching cases. After talking with other inmates - he came up with the idea of filing a big lawsuit against New York Corrections Department. Ronald states he is a member of the Secret Society MASONS and they will assist him to cover any and every aspect that can hinder his case process. He states he was injured and spent one year in a wheelchair with his mother taking care of him. He states only his family is aware of this event and the brothers "MASON" help him to destroy that medical evidence. Ronald states the MASONS covered up any issues he had in the past - he is loyal to them or they could expose him, which would result in his return to prison.

He quote legal article
Bayer vs Kam-then
William vs King (2014)

Ronald De Shields NYSID # 07344349L

Case # 18cv 8885 - RA

Ronald feels he was wronged by NYPD for his arrests and that an article published by The Washington Confidential Report 10/12/2012 exonerates him. This lawsuit is "my way of getting back at them for my loss of freedom".

His report for pain and suffering is fabricated and used as a weapon to substantiate his case. On a regular basis he visits the Emergency Room and complains of severe pain and headache. He sees a psychiatrist to also help his case of depression and anxiety and insomnia. Yet he takes no medication. Pain meds gets thrown out in the trash as there is just so many. This too is abuse of government benefits he receives thru HRA. If Ronald had to pay out of pocket, this would not happen.

Ronald is very aggressive, loves to fight and challenges others to fight him. He will provide an argument just so he can engage physically. While incarcerated he has numerous infractions.

NYSID # 07344349L Infrac #s 0597-16, #0000-14, 0405-14, 0004-12, 0188-11, #0328-09, 3051-08, 0332-98, 0374-98, #0911-95. There are a few of many.

For an inmate to cause so much trouble not only for other inmates but for staff as well.

Ronald De'Shields

Case # 18CV-8885-RA

What type of claim against NY City and DOCS can he satisfy with a false claim of pain or suffering? This person needs Salvation and not representation.

In his own words Ronald states on 10/29/2015 "other inmates around me know who I am and what I was before I became incarcerated." Ronald states his case was in the media also. So why would DOC staff tell other inmates who he was? Like I stated earlier he likes to brag and boast and considers himself superior to others of his own class. He is a double Seeker, mischief maker and contributed to his own demise - if in fact any of his complaints ring true. He is a liar and manipulates very well.

Ronald files a grievance against the Chaplain reporting issues with religious services for the worshipping for Nation of Islam. However, he has been released since March of 2019, how many times and where has he attended a Nation of Islam service? The belief he had been fighting to maintain in prison. I guess he is not a Nation of Islam believer anymore.

It would be unjust to reward Ronald with a fraudulent claim and jeopardize these defendants job/character based on said lies.

Yes, there is corruption in every organization, however, this is not an instance where this individual was mistreated by these officers.

Ronald wants what Ronald wants and when redirected, he gets angry, vindictive and sets out to get his way.

It is unfortunate but his mother gives into his whims, she tolerates these behaviors and will swear for her son. His mother now lives in North Carolina, perhaps for the best.

Ronald will never stop, he will find other sources to harass and victimize, that's his nature.

Ronald is using his lawyer and the courts to his advantage, but if the time is taken to research his medical history, it will show that he was physically disabled and this was before his incarceration. His mother Mrs Mary Deshields is privy to this and can be reached at 303 Barclay Road, Durham NC 27712

4. DESCRIPTION OF INCIDENT ♦ On 2/4/19 inmate Deshields, R. 16R1590 E-2-23B was transferred to SHU as part of a 72-hour investigation. On 2/5/19 at approximately 9:00AM the investigation concluded with the authoring of this misbehavior report. The investigation uncovered information that inmate Deshields had manipulated ministerial staff by allowing him to initially comprise the N.O.I. callout himself, as he was the approved N.O.I. facilitator. This investigation was initialized when the breach was recognized by DSP K. Knapp. As confirmed by Librarian K. Briggs, inmate Deshields had approached her in the Fall of 2018 (unspecified date) with a list of inmate names and asked her to add them to the callout for Nation of Islam, as Deacon Morse could not access the callout through computer access. K. Briggs confirmed this with Deacon Morse and he acknowledged approval. K. Briggs further stated that this became routine and Deshields himself would deliver the list for the callout each Thursday or Friday, and the callout would rarely change and would include the same participating inmates. After a few weeks of inmate Deshields delivering the list to her she began seeing the name of the list as "F.O.I.", but it continued to contain the same names as before, and the names for the callouts were submitted as she had believed that this was a change made by the chaplain's office. Approximately two weeks after the initial change to "F.O.I.", inmate Deshields made a point of emphasizing to her that the callout was for "Fruit of Islam", with him no longer requesting N.O.I callouts. Through investigation with Chaplain W. Smith and through internet research it was found that "F.O.I." stood for "Fruit of Islam" and is designated as a "paramilitary wing of the Nation of Islam" and is not an approved organization recognized by the New York State Department of Corrections and Community Services. As stated by Chaplain Smith the only purpose for a "F.O.I." meeting would be for "militancy and defacto religious gang activity". By inmate Deshields leading and participating in these unauthorized group meetings it infringes upon the goals of the department and creates a safety and security issue for the facility.

ronald Deshields not guilty | THE WASHINGTON CONFIDENTIAL REPORT

The Ex firefighter was accused of stealing guns from cop's out of a Queens Precinct after he came into contact with one and turned it into cop's at a Brooklyn Buyback program the very next day.

DeShields, stood a criminal trial, which lasted about a month-long with over 27 witnesses. none of them could identified DeShields as the person that took these guns.

Before the trial was even started, DeShields and his lawyers had a meeting with the Queens D.A's office. He came clean about how he got the gun. He said that a Retired Police Sergeant gave him a bag and that a gun was in it. He also stated that he did not know that a gun was in side until he took it home.

First, no one believed him about how he obtain the gun. investigators did met with the person that DeShields named. That person was Charles Castro, an Ex cop that once worked in the 103rd station house that was fired from the NYPD and not Retired.

Although I.A.B investigators did not buy DeShields story, they still looked into it.

As they were investigating DeShield's account of what happen, Detective's found out something shocking about not just Castro, but DeShields when he was Auxiliary Police Officer almost 20 years ago.

The name of another police officer that was fired came up. in fact, it came up more than once in a number of ways.

first in Castro pass. then Detectives started looking more into DeShields when he was an Auxiliary cop. an Internal Affairs investigation that went back to 1993. DeShields name some how got mixed in it.

The investigation was about former Police Officer Carol Shaya, the NYPD cop that was fired for posing nude in playboy with her uniform on in 1994

Both Castro and Shaya where married to each other when they where cops. Castro was a Sergeant at the 103rd pct and shaya an officer at the 45th pct.

But DeShields also knew Shaya and the question was how. actually, that's what the Internal Affairs Investigation was all about.

It has now came to light that DeShields was having an sexual affair with Shaya, the NYPD cop who posed nude in playboy.

DeShields was only 17- years old at the time and Shaya was 25. DeShields was under age and I.A.B got win of that said a source.

At the same time, she was married to Castro, she was having an affair with DeShields. Castro found out about the affair sources say.

Castro now know that it was DeShields that she was meeting at a low down motel in West Hemmstea

RE: CMO STATUS

date: 10/29/15

DEAR: OSIU

My name is Ronald DeShields. I am a C.M.C Inmate housed at the Manhattan Detention Center. I have been lable a C.M.C Inmate for the wrong reasons, however other inmates around me know who I am and what I was before I became incarcerated.

In 2007, I was arrested for Forgery and Proceession of Stolon Items from the New York City Fire Department. In the C.M.C monthly report that I have refuse to sign it states that the reason for me being a CMC Inmate is becasue I have impersated a firefighter and that I had uniforms from both the NYPD and the FDNY. I was never charged with any kind of impersonation in the 2007 arrest or in the 2011 or with my arrest now in 2014, which I am currently being detained for now.

I was a BroadChannel Queens Firefighter, which in not part of the FDNY for a period of (5) five years and a EMT for (1) one year before that. In the 1990's , I was an Auxiliary Police Officer Shield#2867 Tax Id# 421278, which is a Volunteer member of the Police Department.

I have been getting into more then one fights with other inmates because the information about me being a Auxiliary Police Officer keeps coming out. My father a Retired member of the New York City Department of Corrections and my Ex-Wife a Nassau County Correction Officer has also come out among the inmates.

The last time that I have been in a fight was becasue an inmate told other inmates "MAKE HIM GO WITH THE OTHER COP" before one of the inmates jumped me in a 3 on 1 fight(SEE INMATE INFRACTION - -DATED 10/7/15).

I have talked with Captain Thomas who was the Security Captain at the Brooklyn Detention Center along with Captain Massey when I was housed at that facility. but both did not want to check out the information that I have provided for them and all the long was calling me a "fake Firefighter" and not willing to check with the BroadChannel Fire Department or even what I was actully charged with back in 2007, 2011 or now. I have wrote Grievance Statements with the Grievance Program at the Brooklyn Detention Center, but I have not had any response back from them at all.

Because this is a Safty Issue, I am hereby asking that the reasons for my C.M.C Status be corrected and for me to be housed based on the correct information.

Based on the fact that this is a Safty issue to my safty, if not corrected I will have no choice to file a Civil Rights Act Complaint under the Civil Rights Act, 42 U.S.C Section 1983- because the Depart of Corrections is now keeping me in a unsafe condition even after I have now informed this Department to checkout what I have been stating what I was prior to my Jail Incarceration.

THANK YOU

**RE: NATION OF ISLAM STAFF ADVISOR
& QUALITY OF SERVICES FOR NOI:**

Dear Commissioner Gorman:

My name is Ronald E. De'Shields. I am the Inmate NOI Facilitator for the Gouverneur Correctional Facility. I am writing you this correspondence to express my concerns about the quality of religious services that we the Nation of Islam have been experinencing, such as difficulties with our Nation of Islam Fundraiser and Religious Discrimination.

First, During the Holy Month of Ramadan, we the Nation of Islam have been force on a number of occasions to use the Ping Pong Room in the gym to make way for non-religious programs such as AA meetings. As per Directive 4202 IX. A: "ALL SPACES IN THE FACILITIES THAT ARE DESIGNATED AS PLACES FOR RELIGIOUS WORSHIP ARE TO BE RESERVED FOR RELIGIOUS USE ONLY". On June 22, 2018, I wrote a Inmate Grievance in regards to this issue and filed it with the facility Grievance Office.

*** GRIEVANCE TITLE CHANGED WHICH WAS
UNFAIR METHOD OF RESOLVING THE
GRIEVANCE, WHICH WAS NOT RESOLVED***

Second, the title of the Grievance I filed was "Religious Discrimination". However, after the Grievance was denied at the hearing, I notice that after the Superintendent denied it, the title of the grievance was changed to "Religious Services held in the Ping Pong Room". it was no metion of Religious Discrimination at all. In that grievance I stated that when Ramadan Service was called we the Nation of Islam was called out by " NOI" and the other Muslims group was called out by Muslim Ramadan, as if we are not muslims.

The Grievance responses from the Superintendent and the Grievance Office was "It was necessary to be called by different designation so that everyone knows where they are to report to for services". Please note: Both groups are to report to the same building at the same time. in calling the groups by different designations it did not give different kind of direction where to report too. Even if it was necessary to be called by different designation, the correct one would have been "Ramadan Services" and not "NOI and Ramadan Services", such as the way it was done.

A/DSP Mr. Hooper was informed that this was inflammatory to the Nation of Islam Inmates and still to this day it is still going on. On August 25, 2018 during the "Eidul Adha Event" we the Nation of Islam was still called out by " NOI and Muslims". This facility continues to be inflammatory to the NOI Inmates. On August 27, 2018, I wrote a letter to Deputy Superintendent of Administration Ms. Susan Peacock detailing the discriminatory treatment that we have been experiencing. It is the second letter that I sent her regarding this treatment. The first one was a sworn letter. Both correspondence went unanswered so far.

*** NEW STAFF ADVISOR, A/DSP HOOPER RELUCTANCE
TO GIVE THE NATION OF ISLAM A STAFF ADVISOR
THAT WILL WORK WITH US AND NOT AGAINST US***

On August 18, 2018, I wrote a letter to Acting DSP Mr. H. Hooper, the Superintendent of Programs regarding having the new Chaplain acting as our staff advisor. The Chaplain is Mr. W. Smith. We ask that his position be change to allow way for Deacon Morse to act as our staff advisor cause he wants to work with us and not against us such as what we feel that Mr. W. Smith has been doing.

I have also talked with A/DSP Hooper face to face at the conclusion of a recent ILC meeting on August 20, 2018, regarding Deacon Morse acting as the NOI Staff advisor and not Chaplain W. Smith. I endeavored to explain to Acting Deputy Superintendent that the reasons why we would like to have Deacon Morse to act as advisor, such as his willingness to work with us. He then abruptly denied my request by saying no and just walked away quickly. I also received a letter saying the same thing. Saying that the new Chaplain Smith will remain the NOI Staff Advisor.

Since Chaplain Smith arrival at this facility, we feel that he has been doing more of the Position of the Security Staff with the Nation of Islam then that of a Chaplain. With my and the rest of the Nation Of Islam, a Chaplain such as Chaplain Smith is a person chosen to not just follow all of the policies and facility protocols required, but also someone whom we may go to for aid religiously. As a advisor we need to have confidents in him he would work in the best of our interest in a advisory way. We do not have that within Chaplain Smith.

In the short period of time that he has been at this facility, he has displayed more of his authority to have things changed that has always worked for the Nation of Islam and the facility without due diligence. In other words or expression as it is said " Started to repair something that was not broken". Chaplain Smith actions has cause more then one dilemma with not just the NOI Fundraiser, but the officers working in the activities building that would affect the NOI when it comes to us having our religious services.

In conclusion, I am hereby asking that you address this matter forthwith and help correct the programs that we and I are having or to make a policy change. I look forward to your response soon, Thank you in advance for your help.

RE: ~~RE~~ RELIGIOUS DISCRIMINATION & UNEQUIL TREATMENT
BY DSP K. KNAPP & CHAPLAIN W. Smith :

DATE: Feb. 1, 2019

Superintendent M. Rockwood:

I'm writing you this correspondence to express my concerns regarding how the Nation of Islam & myself have been for some-time now experinencing difficulties with Chaplain W. Smith.

Since Chaplain W. Smiths arrived to this facility, he has inflicted hardship on our religious services and did his best to dis-band our fundraiser. In a meeting with him on January 24, 2019, at 12:30 p;m in his office he advised me that he wants me removed as facilitator so that the fundraiser could be dis-band and for us (Nation of Islam) to not have religious services. When I advised him that no one will step-up and take the position of facilitator, he stated "I don't care".

From the start of difficulties with chaplain Smith, I wrote a letter to then Acting DSP H. Hooper (SEE ATTACH LETTER) about Chaplain Smith actions.

The issues were not resolved. On January 24, 2019, I wrote a letter to DSP K. Knapp regarding the Religious Discrimination and unequal treatment that chaplain Smith has subjected myself and the rest of the Nation of Islam members too. These issues still not resolved, infact I have not recivied any return corresponssence from her.

No other group experinced these problems and based on the issues at hand, I now can see that it's religious Discrimination inlight of both chaplain Smith and now DSP K. Knapp unequal treatment.

At this time, as you are a Supervisory Official, you are hereby advised that I and the rest of the members of NOI are being subjeXted to Religious Discrimination and unequal treatment. I ask that you please step in and remedy this wrong.

Thank You in Advance,

RE: Your response letter received 8/20/18. Regarding
Chaplain W. Smith as the NOI Staff Advisor.

I am writing you this correspondence to express my concerns regarding Chaplain Smith acting as the NOI Staff adviser.

Since Chaplain Smith arrival, he has been doing more of a Security Staff position when it comes to the Nation of Islam, then that of a Chaplain. With my understanding a chaplain, such as Chaplain Smith is a person chosen to not just follow all of the policies and protocols required, but also someone whom we may go to for aid religiously. As a adviser we need to have confidence in him he would work in the best of our interest in a advisory way. We do not have that within Chaplain W. Smith.

In the short period of time that Chaplain Smith has been at this facility, he has displayed more of his authority to have things changed that has always worked for the Nation of Islam and the facility without due diligence. In other words or expression as it is said " Started to repair something that was not broken"!

Chaplain Smith actions has cause more then one dilemma with not just the NOI Fundraiser, but the officers working in the activities building that would affect the Nation of Islam when it comes to us having our services. For these reasons, we see that Chaplain Smith will work against us and not with us. We ask not to allow him to be our staff adviser.

In a conversation that I had with Deacon Morse about the Nation of Islam, he seems to be a person that is willing to help no matter what religious group needs help. At the conclusion of the conversation he express to me that he wants to help anyone or group that needs help.

Therefore, I hereby request that Decon Morse be allowed to act as our new staff adviser. Thank You.
